Find a Translator without slowing down

Support your community with access to the world's largest group of remote translators and interpreters right from your phone.

Get Started for Free:

1 Go to https://tarjimly.org/cares/raa in your mobile browser and choose "Beneficiary"

[Download on the App Store] [GET IT ON Google Play]

2 Download the app on your phone.

Open the app, and log in with the email and password created during sign up.
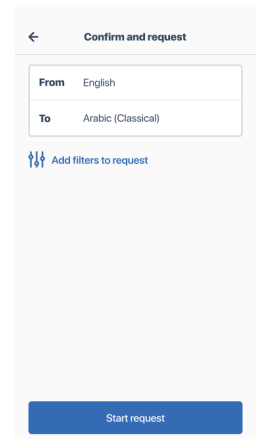

Verify your email.

**3** Update your profile to help us match you to the best available translators.

4 Choose the languages to translate and add filters to your request.

Click "Start Request".

5 Get connected to a translator in a live chat session.

Send texts, voice notes, or even start a 3-way phone call.

6 When finished, end and rate your session.
