

## How to make your Family's Welcome Basket

*Storage located at: 6850 SW 81st Ter, Miami, FL 33143.*

Each family enrolled in RAA receives a Welcome Basket from their CS Teams. Welcome Baskets have standardized items but you can also personalize the basket to meet your family's needs. **Your team will take the Welcome Basket on your first or second visit to the family.**

- **Step 1:** Once you know your family's "Fast Facts" (age, gender, number of relatives), you are ready to make your basket.
- **Step 2:** Before your first or second visit to the family, schedule a day and time to go to build your basket. Determine who in the team will go.
- **Step 3:** Contact Emily Lau, the chairperson of RAA's Welcome & Gifts Committee, to set up a time to visit storage. Email her and let her know your family's "Fast Facts" (age, gender, number of relatives). RAA Storage is where we keep our baskets and other items that can be included.

Where are Welcome Baskets

located?

Life Storage #1089 by Dadeland Station  
Storage address: 6850 SW 81st Ter, Miami,

FL 33143. Unit #2543

## What usually goes in Welcome

### Baskets?

These items are in storage and are added into your basket: laptop, school supplies for

kids, a teddy bear, basic hygiene items.

You can also add, from your own donations, additional items for kids, face masks, diapers, first aid kits, reading books for beginners, phone charger, dried fruit, etc.
